About this catalog

Sinofo supplies export-qualified frozen foods to US foodservice operators, distributors and retailers. Every SKU below carries standardized parameters — item code, net weight, carton spec, storage and fry temperatures in Fahrenheit and Celsius, MOQ, container load, certifications and OEM support — so your team can spec and order with confidence. All products ship under an unbroken cold chain at 0°F (-18°C).

Frozen Potato (40 SKUs)

Battered and non-coated cuts, built for high-volume US fry stations.
